Adverting to Government Order No 9347/M1 1-45-60 dated 13th March 1946 sanctioning the above up to the end of June 1946 I have the honour to forward herewith the resolution of the Municipal Council dated 4 7-46 and a copy of the report No C 16/46-47 dated 14th July 1946 received from the President Closepet Town Municipality requesting sanction for the continuance of the above staff for a further period of six month , that is up to the end of December 1946 and to state that there is still arrears of Rs 6013 as seen in the report to be collected in addition to the collection of current demand for the year 1946-47 It is quite necessary that the entire amount should be collected in the interest of the financial position of the Municipality The Municipal Council have decided to meet this expenditure out of the provision made on the budget for 1946-47

Under the circumstances I request that sanction of Government may kindly be obtained for the continuance of the special staff referred to above for a period of six months ending with December 1946 as per the request of the Municipal council the additional expenditure being met from out of the budget for 1946 47

Copy of letter referred to above

With reference to the Goverment Order No 9347/M1 1 45-60 dated 13th Dec 46 on the above subject I have the honour to state as follows In the above letter section of Government has been accorde to extend the services of the Revenue Officer for a period of six months more i e till 31-12 46 There is a heavy arrear of Rs 6013/ still to be collected and in addition to this the current demand for 46-47 has also to be collected as the municipality has at present got various commitments the most important of them being financing of the Municipal High School It is very desirable that the entire arrears together with the current demand is collected as early as possible The council also feel that if the present opportunity is not utilised especially where the people have some money it may not be possible to recover the arrears at a distant date So the council is of of the opinion that it is very necessary to have the Revenue Officer for a period of six months more by which time it will be possible to collect the entire arrears I therefore request that the sanction of Government may kindly be obtained to extend the services of the Revenue Officer till 31 12-46 The additional expenditure involved will be met out of the provision made in the budget of 1946-47 The financial position of the municipality is quite sound and capable of meeting this expend ure
